INFORMATION AND INSTRUCTIONS FOR BIRTH RECORD APPLICATION

AVAILABILITY:

State law did not require birth registration until the year 1917. However, there are some records on file at the State Office of Vital Statistics dating back to 1865. Most birth records between the years 1930 to present can be obtained through this office. Records on birth events that occurred in 1929 or earlier may be obtained from the **State Office of Vital Statistics**. Birth records under seal by reason of adoption, paternity determination or court order cannot be ordered in this manner. For a record under seal write to: **State Office of Vital Statistics, Attn: Records Amendment Section, Post Office Box 210, Jacksonville, Florida 32231-0042.**

ELIGIBILITY:

Birth certificates can be issued only to:

- 1) the registrant (the child named on the record) if of legal age (18)
- 2) parent
- 3) guardian
- 4) a legal representative of one of these persons, or
- 5) by court order.

In the case of a deceased registrant, upon receipt of the death certificate of the decedent, certification of the birth certificate can be issued to the spouse, child, grandchild, sibling, if of legal age, or to the legal representative of any of these persons as well as to the parent.

Any person of legal age may be issued a certified copy of a birth record for a birth event that occurred over 100 years ago (except for those birth records under seal).

REQUIREMENT FOR ORDERING:

If applicant is self, parent, guardian, or legal representative the applicant must provide a completed application along with photo identification (ID).
