

Male Peer Leader Program
BROWARD COUNTY HEALTH DEPARTMENT

To educate young males about their role in teen pregnancy prevention, promote the role of shared responsibility and increase awareness of health issues

Male Peer Leader Program

The goals of the Male Peer Leader Program are to:

- ❖ Train Male Peer Leaders to assist with the education of teens and encourage them to take responsibility for their behaviors.
- ❖ Increase the number of males receiving education and clinical services at the Teen Health Centers.
- ❖ Refer teens in the community to the Teen Health Centers for comprehensive educational and clinical services.
- ❖ Increase knowledge and awareness about teen health issues.
